

Future Leaders' Learning Walk

24th November 2017

Does our classroom environment help us have a love of reading?

- We will be looking for things in school that show that teachers and children at Beechwood we love to read!
- This means we'll be looking around the classroom for a comfy reading corner with lots of exciting books to read, reading at home display, celebrating our work from Reading Challenge etc.

Things we've spotted around the classroom that show we love to read
