Parent Governor

I have had interest from a few parents wishing to become parent governors. If you are interested in shaping the direction of the school and would like to put your name forward, please speak to the school office or Mrs Harper. Additional details will shortly follow.

Reminders

Please ensure that you have done the following:

- Told the class teacher your special password that can be used when somebody other than you is collecting your child from school.
- Completed and returned the home school agreement.
- Looked at the important dates list saved on the school website.
- Completed the parent questionnaire.

Remember, each Monday, a new newsletter will be uploaded onto the school website (www.beechwoodprimary.org). Take a look each week for important information and dates. We will not be sending out paper copies but these can be obtained from the school office if required.
