

Homework Learning Week Beginning 20.04.20

<p><u>English Activity One</u></p> <p>Practise the common exception words included in your home learning book. You could make a word search, play hangman, scramble the letters, use a dictionary to write definitions etc.</p>	<p><u>Maths Activity One</u></p> <p>Practise the times tables that are in your home learning book. Don't forget to log in to times tables rockstars and practise them on here too. Make sure you practise the related division facts as well.</p>	<p><u>Science Activity</u></p> <p>Research a scientist that you find interesting and write some key facts about them.</p>
<p><u>English Activity Two</u></p> <p>Use one of the following story starters to write your own adventure story. Think about how you can create suspense through different sentence structures.</p> <ol style="list-style-type: none"> 1. A shrill cry echoed in the mist... 2. Icy wind slashed at his face and the rain danced its evil dance upon his head as he tried to get his bearings on the isolated beach. 3. Peeking through the window her surprise turned to horror... 4. Everything stopped, everything a statue all around me. Frozen in time. 5. It was the day the moon fell. 	<p><u>Maths Activity Two</u></p> <p>Reasoning- Prime Numbers (a number that is divisible only by itself and one).</p> <p>Who do you agree with and why? Explain your answer with examples.</p> <p>Bethany: "I think there are more prime numbers between 1 and 50."</p> <p>Thomas: "I think there are more prime numbers between 50 and 100."</p>	<p><u>Humanities Activity</u></p> <p>Carry out your pre learning task by writing anything you already know about Brazil.</p>
<p><u>English Activity Three</u></p> <p>Complete one page of your SPAG book. Can you watch any videos on YouTube or find any PowerPoints on Twinkl to help you?</p>	<p><u>Maths Activity Three</u></p> <p>Problem Solving- I am thinking of a number. It is greater than 40. It is less than 60. It is a prime number. The sum of its digits is an even number. What are the possibilities for what the number could be?</p>	<p><u>Reading Activity</u></p> <p>Read the following text 'Robot Revenge' and write 5 comprehension style questions for it...</p> <p>The year is 2053. Robots are a part of everyday life - they drive hover-trains, serve in</p>

		<p>holographic-restaurants and even teach in virtual-schools. They are so realistic that it can be hard to know whether you are talking to a fellow human or a robot (in some cases the only clue is the small light that can be seen faintly glowing from behind the left ear).</p> <p>In fact, robots are becoming increasingly infuriated with their place in society. A group are plotting their revenge on humans. They want to teach humans a lesson - it is about time that humans started to be grateful for all the wonderful opportunities they have in life. The robots will make them realise...</p>
<p><u>English Activity Four</u></p> <p>How many words can you make using the letters in 'Stay at home, let's keep each other safe' ?</p> <p>*You can only use each letter once. E.g. horse, pet, peach...</p>	<p><u>Maths Activity Four</u></p> <p>Choose a 3/4 digit number and record everything you can about the number (represent it as place value counters, partition it, round it, write a calculation with the number as the answer etc.)</p>	<p><u>Creative Activity</u></p> <p>Listen to some Brazilian music on YouTube and make notes on how it makes you feel and what instruments you think they are using.</p>
