

## Homework Learning Week Beginning 27.04.20

### English Activity One

Practise the common exception words included in your home learning book. You could make a word search, play hangman, scramble the letters, use a dictionary to write definitions etc.

### Maths Activity One

Practise the times tables that are in your home learning book. Don't forget to log in to times tables rockstars and practise them on here too.

### Science Activity

We will be looking at light as our topic this term.  
Can you find out how shadows work?

### English Activity Two

Write a newspaper report about the community spirit of people living in your area.

**Make sure you include/ think about:**

A name for your newspaper, a punchy headline, writing in columns, an introductory paragraph including (who, what, when, where, why), writing in the 3<sup>rd</sup> person and past tense, information about key events, formal/ journalistic language and eyewitness statements.

### Maths Activity Two

**Would you rather...?**

- 1) 8/10 of £1,  $\frac{3}{4}$  of £1 or 2/8 of £2
- 2) 2/5 of £4, 2/3 of £4.50 or 7/8 of £4
- 3) 3/7 of £3.50, 5/6 of £3.30 or 5/9 of £3.60

**\*Calculate the amount in each choice and select the largest answer**

### Humanities Activity

Research human and physical geography. What are the differences? What is studied in each area? What are some of the uses for human and physical geography?  
Write up your findings.

### English Activity Three

Complete one page of your SPAG book. Can you watch any videos on YouTube or find any PowerPoints on Twinkl to help you?

### Maths Activity Three

**Make your own fractions game!**

-You might want to make a 'happy families' type game where you have to match the equivalent fractions, percentages and decimals  
-You could write a fraction like  $\frac{3}{4}$  on a card and then represent  $\frac{3}{4}$  in two other ways (such as a diagram), once you have made enough cards, play

### Reading Activity

Read and use an information book, encyclopaedia or the information on a webpage to create a Fact File on an animal of your choice.

Your Fact File should include: interesting facts about your chosen animal, a glossary of new words relating to the animal and a labelled drawing of it.

	<p>as snap, happy families or order the cards from smallest to biggest.</p> <p><b>*Please share your games on Class Dojo!</b></p>	
<p><b><u>English Activity Four</u></b></p> <p><b>Re-write the following sentences in the passive voice...</b></p> <p>1) Mrs Carr painted a rainbow for the NHS.  2) Mr Triner organised a teachers versus children football match.  3) Miss Geary ordered some new toys for the Dojo gift shop.</p>	<p><b><u>Maths Activity Four</u></b></p> <p>Choose a 3/4 digit number and record everything you can about the number (represent it as place value counters, partition it, round it, write a calculation with the number as the answer etc.)</p>	<p><b><u>Creative Activity</u></b></p> <p>Can you create different shadows using your hands and make a shadow puppet story?  Sketch a picture of a tree or flower shadow that you can see.</p>
