

Homework Learning Week Beginning 04.05.20

English Activity One

The Prime Minister is now taking questions from the public as part of the daily broadcast. Write 4 correctly punctuated questions that you, or your family, would like to ask Boris Johnson given the opportunity.

Maths Activity One

Practise the times tables that are in your home learning book. Don't forget to log in to times tables rockstars and practise them on here too.

Science Activity

Read through the Knowledge Organiser on light and try to learn the vocabulary.

English Activity Two

Homophones/ Words that sound the same but have different meanings/ spellings

Write sentences or pairs of silly sentences which use homophones correctly in context, e.g. 'Superman was led into a trap. He didn't see it because it was surrounded by lead.'

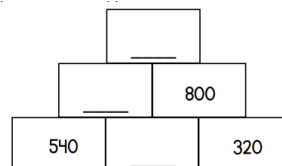

Example words:

Nouns/Verbs advice/advise device/devise licence/license practice/practise prophecy/prophesy

Other Examples aisle/isle aloud/allowed affect/effect altar/alter cereal/serial compliment/ complement desert/dessert farther/father guest/guessed heard/herd led/lead morning/ mourning past/passed precede/proceed principal/ principle profit/prophet stationary/ stationery steal/steel wary/weary who's/whose

Maths Activity Two

Can you complete the addition pyramid? Hint- 2 numbers at the bottom, total the rectangle above.

Now have a go at making some of your own pyramids using your knowledge of addition and subtraction.

Can members of your family solve them?
Be the teacher and check their work!

Humanities Activity

Can you find these answers to these questions?

- What continent is Brazil in?
- Which countries border Brazil?
- Which oceans/seas surround Brazil?

Are there any major rivers/rainforests etc. in Brazil?

Maths Activity Three

Addition and Subtraction problems

- 1) The cinema has 700 seats - 113 adults and 276 children come to see the film. How many empty seats are there?
- 2) Dorothy is saving her money for a new bike costing £286. If she has already saved £39 and is then given £59 for her birthday, how much more does she need to save?
- 3) If William Shakespeare was born in 1564 and lived to be 52 years old, how many years ago did he die?
- 4) Dave earns £1485 a month as a bus driver and his wife earns £1760 as a teacher. If Dave gets a pay rise of £217 a month how much less than his wife does he earn?

***Can you represent the problem in a bar model to make it clear what the question is asking?**

English Activity Three

Complete one page of your SPAG book. Can you watch any videos on YouTube or find any PowerPoints on Twinkl to help you?

Reading Activity

Make your own reading board game to play during lockdown.

Ideas include: creating mini books for counters; creating a track to work around by rolling a dice; questions on setting, plot, characters etc; landing on spaces which tell you which genre of book to read, e.g. fiction or poetry; questions on authors you might have to look up the answer to; instructions to do a book review or a recommended read; writing a blurb for a given title etc.

Have fun and get reading!

English Activity Four

Write a poem related to what have you been up to over the past few weeks. It could include: what you have done with your families during lockdown, the bravery of the many key workers, the excellent community spirit, the daily news update, the baby lambs born unaware of all the drama and the school closures etc.

Your poem could rhyme, be a haiku (3 line poem, with 5,7,5 syllable pattern on each line), be an acrostic poem (using the letters to start each line) or a different structure entirely.

Please share your poems on Class Dojo ☺

Maths Activity Four

Choose a 3/4 digit number and record everything you can about the number (represent it as place value counters, partition it, round it, write a calculation with the number as the answer etc.)

Creative Activity

Can you create the Brazilian flag using different materials?
