# Homework Learning Week Beginning 1.6.20

#### English Activity One

Complete one page of your SPAG book. Can you watch any videos on YouTube or find any PowerPoints on Twinkl to help you?

## Maths Activity One

Practise the times tables that are in your home learning book. Don't forget to log in to times tables rockstars and practise them on here too.

Make sure you practise the related division facts as well.

#### Science Activity

Find out what refraction of light is and carry out the 'Amazing Arrow' activity.

## **English Activity Two**

Create a persuasive holiday brochure for a holiday destination of your choice (it could be a real place or one you have made up). Make sure you include persuasive techniques such as rhetorical questions and positive langauge and don't forgot other information such as pictures with captions or labelled maps of the resort etc.

# Maths Activity Two

Below are the ratios for making specific paint colours.

How much of each colour would you need to make 240 litres of paint?

**Paint Colours** 

- a) Purple = Red:Blue 3:2
- b) Pink = White:Red 5:3
- c) Green = Blue:Yellow 3:9
- d) Orange = Yellow:Red 8:7
- e) Grey = Black:White 1:9

## **Humanities Activity**

Write the alphabet down one side of the page-Can you think of a country to start with each letter?

# **English Activity Three**

Write 3 haiku poems about the current situation (lockdown/ learning from home).

A haiku poem is a Japanese poem made up of 3 lines. It follows the syllable pattern 5, 7, 5 for each line and usually makes some reference to the seasons but this isn't essential.

## Maths Activity Three

There are 36 marbles in a bag. The ratio of red to blue to green marbles is 1:2:6. How many green marbles are there?

22 marbles

24 marbles

12 marbles

## Reading Activity

Using less than 30 words, can you write a new blurb for the book you are reading?

Remember it should want to make people read the book without telling them too much!

Examples:
Summer is coming
But my life is in lockdown
When will I see friends?

People staying strong Key workers working so hard Children learn at home.

Make sure you show your working out.

Hint-using a bar model will help!

#### Transition Activity One

#### End of Year 6 Reflections...

Think back over your time at Beechwood and answer the following questions. I hope the memories put a smile on your face ©

- What is your favourite memory?
- What has been your proudest moment?
- What has been your all-time favourite school dinner?
- What one thing will you miss most about Beechwood?
- Who has been your favourite teacher and why?
- If you could go back in time, what advice would you give to yourself on your very first day of school?

# Transition Activity Two

## My Feelings about secondary school...

Complete the attached worksheet and try to be as honest and open as you can about your feelings.

# **Creative Activity**

Create a 'Beechwood' poster using pictures and happy memories of your time here.
