

Home Learning Activities - Week Beginning 29.06.20

English	Maths	Foundation
<p>English Activity 1 - Prepositions</p> <p>A preposition tells us when or where something is in relation to something else. Examples include under, after, inside and outside. Can you write some sentences including prepositions to explain where different items are in your house or garden?</p>	<p>Maths Activity 1 - Money</p> <p>Have a look at the prices on a receipt or make up some of your own prices such as £2.99. Can you find different combinations of coins you could use to pay?</p>	<p>Geography - Choose a contrasting locality in the UK such as rural and coastal to your local area. Can you write some similarities and differences between the your local area and your chosen locality.</p>
<p>English Activity 2 - -sion spelling</p> <p>-sion goes at the end of a word and sounds more like a 'z' than an 's'. For example division. How many words can you think of with -sion in? Can you use some of the words in sentences?</p>	<p>Maths Activity 2 - Right Angle Hunt</p> <p>Can you go on a right angle hunt around your house? You could record your findings by taking photographs or writing a list of the items you have found that have a right angle.</p>	<p>PSHE - Can you create your own anti-bullying poster? Create a slogan or a logo and remember to make your design as eye-catching as possible!</p>
<p>English Activity 3 - Description</p> <p>Have a look at the website: https://www.pobble365.com/ and choose one of the image of the days. Can you write a description of the image using adventurous expanded noun phrases, prepositions and adverbials.</p>	<p>Maths Activity 3 - Addition</p> <p>Choose two four digit numbers such as 3452 and 3567. Can you add the two numbers together? Can you use the inverse to check your answer?</p>	<p>Reading - Choose two of your favourite books. Can you compare them and note down any similarities and differences between the two? What makes these books your favourite?</p>
<p>English Activity 4 - Poetry</p> <p>Have a look at some different poetry on the internet or in books you have at home. Find your favourite and have a go at learning the poem so that you can recite it to your family.</p>	<p>Maths Activity 4 - Word Problems</p> <p>Can you think of your own word problems for each of the four operations (+, -, x, ÷) to give to a member of your family to solve? Or you could send them to me to have a go at!</p>	<p>Music - Listen to your favourite piece of music. Can you identify the instruments that you can hear? Can you use some effective adjectives to describe the sounds? What is the tempo/rhythm like in the piece of music?</p>
