

Home Learning Activities - Week Beginning 20.7.20

English Activity 1

Write sentences to say what you are looking forward to about Year 2. What topics are you hoping to learn about?

Maths Activity 1

Help bake some cakes. Make sure you are using measurements accurately. Remember to send a photo before you eat it all!

Active

Plan and hold a mini sports day with your family. What challenges will you include? I can't wait to see some photos. Send in your suggestions for races or challenges to share with others in the class.

English Activity 2

Make a poster to show all the things you would like to do during the summer holidays.

Maths Activity 2

Follow a recipe to make salt dough. Can you make a small model using it? Maybe you will paint it when it has dried?

Reading Challenge

Grab a hot chocolate, find a cosy spot and enjoy reading or listening to your favourite stories. Which books would you recommend the Year 1 teachers read to their classes next year?
