

**Long Term Plan for Mission Possible**

Each year group studies a famous person for a term and completes missions based on their life experiences and challenges they faced in their lifetime. These missions are mostly completed outside and help pupils to demonstrate the RESPECT values which are so important to develop children's learning characteristics. Pupils work in teams to complete these missions and evaluate their own performance at the end, linking their performance to the RESPECT values.

Year 1	Traditional Tales	Steve Backshall	The Fat Controller
Year 2	Queen Victoria	Mowgli and Me	Billy's Bucket
